Our global presence

High performance hygiene solutions for all generations

YOUR RELIABLE PARTNER FOR
HYGIENE FILMS AND NONWOVENS

The RKW Group is an independent private company headquartered in Mannheim, Germany, and is one of the world's leading manufacturers of excellent film solutions. RKW is the market leader in the areas of hygiene and agricultural films, films for the beverage industry and packaging for powdery goods. Moreover, the company also supplies films and nonwovens for medical applications, for the chemical and processing industries as well as for the construction sector. The RKW Group's sustainable plastic-based films enable its customers to improve the daily lives of consumers worldwide.

RKW employs approximately 3,000 people at 19 locations worldwide. In line with the company's slogan "When excellence matters", the company, founded in 1957, focuses on excellence in quality and service. Respect and reliability are RKW's core values and form the basis of the company's success.
